

## Sale of Joan Thirsk's books, in aid of LIBRAL

Through the kindness of Martin Thirsk and Dr Jane Robinson, the Society is able to offer for sale a number of books from the library of Dr Joan Thirsk. The proceeds from the sale will be to support the development of LIBRAL.

The books are sold as working copies (except in a very few cases) and their price reflects that. Occasionally they bear annotations by Joan. A few (characteristically) carefully note the misprints on the fly leaf.

The books are offered on a first-come, first-served basis. If you are attending the Nottingham conference you can have your books brought there for collection if we hear from you by 6 April: otherwise an invoice will be issued which will include postage and packing. Dispatch will be not before the week beginning 15 April.

The books received from Joan's children also include a large number of offprints which we will sell at the conference at £1 a piece. If anyone wishes to acquire a particular offprint, then we will reserve it for you if we hear by 6 April.

All requests to reserve a book should be sent to [editor@bahs.org.uk](mailto:editor@bahs.org.uk). If you are not attending the conference, please be careful to include a postal address. All requests will be acknowledged even if the book has already gone.
