NOTES ON CONTRIBUTORS

Dr E. J. T. Collins is Lecturer in Agricultural Economics and Associate Director of the Institute of Agricultural History in the University of Reading. He has written extensively on nineteenth-century agriculture, mainly on labour and technology, and is at present working on a history of the U.K. food industry since 1880.

Robert S. Dilley is Assistant Professor and Chairman of the Department of Geography at Lakehead University, Thunder Bay, Ontario, Canada. His research interests are divided between agricultural history and rural development, and he is currently working on the application of content analysis to historical geography and also the growth of recreation in north-western Ontario.

Professor Raymond E. Dumett is a member of the History Department of Purdue University, Indiana. His article is a fruit of his years of specialized research into the economic history of West Africa.

Cormac Ó Gráda, a Lecturer in the Department of Political Economy at University College, Dublin, has written on various aspects of nineteenth-century Irish economic history, including emigration statistics, supply responsiveness in Irish agriculture, and the Owenite community at Ralahine, Co. Clare.

Dr R. W. Unwin is Lecturer in Education in the University of Leeds. He is currently researching into aspects of education and society in Yorkshire since 1660.

NOTES AND COMMENTS *continued from page 138*

INTERNATIONAL CONGRESS OF AGRICULTURAL MUSEUMS

The 4th International Congress of Agricultural Museums is to be held at Reading University on 5 to 10 April 1976. The main theme of the Congress will be the impact of industrialization on agriculture and rural life

since 1800. Further details of the arrangements may be obtained from Andrew Jewell, Secretary, International Association of Agricultural Museums, University of Reading, Institute of Agricultural History, Whiteknights, Reading RG6 2AG.
